<sup>5</sup> In January 2016 it was asked: “Some say that Iran should send military personnel to Syria to help the government of Bashar Assad in its fight against armed Syrian rebels, including ISIS, so that these rebels would not be able to threaten Iran’s interests and security in the region. Others argue that Iran should not send military personnel to Syria because this would increase Iran’s enemies in the region and beyond. Which of these views is closer to your opinion? Do you think Iran should or should not send military personnel to Syria?”
